

Weather Forecasts for Dubbo Observatory

This is a list of different forecasts for % cloud cover and rain for 7pm each night.

The lower the % cloud cover the more objects we see.

As you can see weather forecasts can vary widely and vary more the further date ahead, so only use this as a rough indication. We recommend you book on the day.

PERCENT CLOUD COVER

		Weatherzone	Accuweather	Cloud Free Night	Yr	Clear Outside	Meteo blue
14/9	Saturday	55	54 to 100	52	63	100	0
15/9	Sunday	0	0	100	0	0	10
16/9	Monday	0	5		0	0
